NOTICE

We, at PML SD Business School, have provisioned some Certification Courses on the emerging topics through NPTEL on the SWAYAM platform from Academic Session 2022-23 which will give the dual advantage to the students to learn from the External Experts and also flexibility to gain knowledge at one's own pace.

The Institute has also introduced Audit Courses from the Academic Session 2022-23 where students can broaden/extend their learning by gaining insights into other specialization areas of their interest apart from opted major and minor domains.
