

Industry Interface

Advisory Council of our B-School consists of accomplished professionals from the industry. Some of them have been associated with Confederation of Indian Industry (CII), PHD Chamber of Commerce and Industry (PHDCCI) and multinational companies for several years. They regularly provide knowledge of different challenges being faced by the corporates in the changing business scenario. Seasoned academicians and persons holding the key positions in the industry are also invited regularly to interact with our students to provide insights of corporate environment.
