- **Mechanism/ Norms and Procedure for democratic/ good Governance**

The Management's philosophy is inspired by the spirit of 'Service and Sacrifice'. The Society is running a Unique Business School in Chandigarh considering city's potential for emerging as a valuable education hub attracting students not only from within but outside India also. Offering this course is a step towards GGSDSC Society becoming a complete source of education.

We have created a unique type of physical and intellectual infrastructure. With a focus on the millennial, the institution is moving towards creating a blend of industry ready curriculum via the ICT media.

One of the core values of our organization is 'Service to Society'. We would always like our students to remember the message, 'Business cannot succeed, if Society fails'. The emotion of giving back to the society will be inculcated amongst the students in whatever form possible.

23. Best Practices adopted, if any

The Institution envisioned by the GGDSD College Society is a centre of excellence for

Management Education and will be entirely different from the run of the mill Management Institutes.

We are creating a unique type of physical and intellectual infrastructure. With a focus on the millennial, the institution is moving towards creating a blend of industry ready curriculum via the ICT media. One of the core values of our organization is 'Service to Society'. We would always like our students to remember the message, 'Business cannot succeed, if Society fails'. The emotion of giving back to the society will be inculcated amongst the students in whatever form possible.
