Message from the President

Ms. Vaishali Sharma

PML SD Business School is a big step forward in creating a fresh momentum in academics tor the students of Tri-city and neighbouring areas. Launched In the middle of the pandemic in August 2020. PMLSD Business school was the brainchild of the Late President Shri Upkar Krishan Sharma, who believed in creating an institution that would lay a strong foundation in making students ready to face a digitally influenced corporate and business world.

Although very nascent and at the cusp of creating a great wave of transformation in the areas of business studies, PML SD business school is directed by the vision of the late President to create an environment where we nurture leaders who will make a difference to their people. Organizations and to the world at large with innovative ideas, humanistic values and unlocking solutions to challenges in tomorrow's complex world.

We are determined to create an environment where theoretical knowledge is complemented with practical prowess guided by Industry expertise. We also believe in creating an entrepreneurial mindset where we challenge conventional thinking and encourage our students to embrace diversity and develop collaborative skills.

Going forward, digital transformation will be a big imperative for corporate organizations. Businesses and even in the SME sector. We are preparing our students to understand the impact of digitisation across different functions by Integrating new tools in decision making and mental models into our curriculum. With a focus on developing advanced analytical and technological skills at every step, we hope to prepare our students to excel in whichever field they choose.

Our intellectual rigor, modem hi-tech facilities and infrastructure, our workshops, research projects. social engineering, industry expertise, seminars, symposia, and case studies are all designed especially to prepare students to future ready their career.

We believe in the extraordinary potential that exists in every student and through our academic endeavours we aim to help each student not only explore the innate possibilities for themselves but push the boundaries of what they can achieve. Inculcating values of honesty, integrity and an attitude that believes in creating value for self and others. We are very clear that we are raising tomorrow's leaders who will be guided by a desire to make a positive and humanistic difference.

So come be a part of this community that inspires the world to go beyond a limitation and become a positive change for all without any discrimination.

Message from the Director

Prof. (Dr.) Kapil Pandla

PML SD Business School has been set up by GGDSD College Society, having an illustrious and proven track record of imparting education and imbibing values for over last four and half decades in Chandigarh. We have admirable strength of a large Alumni network of GGDSD College, not only in India, but across the world.

PML SD Business School is all set to be a centre of excellence for Management studies and promises to be a class apart. The aim is to empower students to reach their optimal potential and to become a transformative force.

Management is an ever-evolving subject and we at PML SD Business School are committed to being at the cutting-edge of management education. Our PGDM programme has been designed keeping in mind most up-to-date academic curriculum and ample experiential learning opportunities. We strive to teach students to think deeply, broadly, creatively, analytically to groom future leaders for India and the world.

We welcome students who want to make a direct impact across different sectors, be it ethical and responsible leaders in the corporate world, impactful innovators, budding entrepreneurs, or those with innate business instincts and those who wish to make a contribution to society.

Our vision is to become a unique world-class business school for the creation and dissemination of value-based management education to Create Future Global Leaders and Entrepreneurs.. Trust, responsibility, respect and integrity will be at the core of everything we do at PML SD Business School. We invite you to be part of this vision and assure you of our indomitable commitment to your personal and professional development.

Message from Chairperson - Placements

Prof. (Dr.) Susheel Chhabra

At our B-School, we are committed to nurturing the potential of our students and preparing them to confidently embrace the opportunities and challenges of the corporate world. Our endeavour is to create a learning environment that goes beyond academics and focuses on developing well-rounded professionals equipped with the knowledge, skills, values, and confidence required to excel in today's dynamic business landscape.

Our teaching pedagogy is designed to bridge the gap between classroom learning and industry expectations. Presentations, case studies, live projects, educational and industrial visits, seminars, conferences, club activities, sports, and cultural engagements collectively enable our students to develop critical thinking, communication, leadership, teamwork, problem-solving, and decision-making skills that are highly valued by organizations.

We take immense pleasure in presenting a cohort of young, talented, and dynamic professionals who have been thoughtfully groomed to face the challenges of an ever-evolving corporate environment and invite organizations to recruit our students, discover their potential, and become a part of their journey towards a professional excellence.

ABOUT US

PML SD Business School, Chandigarh offers two year full time Post Graduate Diploma in Management (PGDM) (AICTE Approved, NBA Accredited) with the vision of creating and disseminating holistic value based management education for building and grooming future leaders.
The Institution is promoted by GGDSD College Society, Chandigarh. It is envisioned as a centre of excellence for management education and is heading towards becoming a unique B-School, different from the run-of-the-mill Management Institutions.

The GGDSD College Society has built reputation of being an excellent centre of education in UT, Chandigarh and adjoining states. A large number of its alumni occupy senior positions in the reputed corporates in India and overseas or are successfully running their own ventures. The Society strongly believes in infusing ethical and moral values in its students.

He is currently pursuing his Ph.D. in Marketing from University Business School, Panjab University, Chandigarh. His research interests include consumer behaviour, consumer ethics, luxury consumption and counterfeit consumption. His research has been published in reputed academic journals, and he has presented papers at several national and international conferences, receiving a Best Paper Presentation Award. With approximately two years of industry experience at Amazon and KPMG, he brings valuable industry insights to management education. He is proficient in research tools such as SPSS, AMOS, SmartPLS, ATLAS.ti and NVivo. He has also been honoured with the prestigious Roll of Honour by the Governor of Punjab and Haryana for his academic and extracurricular achievements.

TWO YEAR FULL TIME POST GRADUATE DIPLOMA IN MANAGEMENT (PGDM)

Two years full-time PGDM Programme consists of six (6) trimesters having 102 credits [Core Courses 54 Credits + Electives 42 Credits + Summer Internship & Capstone Project 3+3 = 6 Credits, each credit is of 10 hours.] The first three trimesters are having core courses along with electives covering courses for specializations. The students are required to opt for electives at the end of the 2nd Trimester from the available six (6) specializations – Marketing, Finance, Human Resource Management, Entrepreneurship and General Management, Information System and Analytics, Operations and Supply Chain Management.

The short duration workshops (crash courses) are regular feature of this Programme to provide practical insights into use of IT in business, selling techniques, trading insights, digital marketing etc. The Electives through MOOCs are offered to the students to earn credits in vocational subjects.

Principles that Guide the PGDM programme:

- Enhancing managerial process
- Gaining knowledge about relevant businesses practices
- Understanding that digitalization is need of the hour
- Developing the spirit of creativity and innovation
- Balancing the noble goal of service to society with economic aspirations
- Insights to new business practices

We assure our industry partners & prospective employers that our students shall seek to add value while being actively involved in day to day functioning of the organization.

INDUSTRY INTERACTION

Industrial Visit - Mandi, Himachal Pardesh

The two-day industrial visit to Mandi provided PGDM students with valuable first-hand exposure to diverse industries, connecting classroom learning with real-world business practices.

M/s Vir Singh & Co.

Exposure to precision manufacturing, safety practices, quality control and regulatory compliance in a specialized industry.

VISCO – Hospitality

Insights into service operations, customer relationship management, quality standards and business sustainability, through interaction with the management team.

INDUSTRY INTERACTION

Visit to The Tribune, Chandigarh

As part of its experiential learning initiatives, B-School organized an educational visit to The Tribune Trust, Chandigarh, for the PGDM 2025–27 and 2026–28 batches.

The visit provided students with first-hand exposure to the live printing and publishing process, enabling them to understand industry workflows, modern printing technology, production practices, and the application of classroom concepts in a professional environment.

Key Highlights

- Live viewing of the printing process and production workflow
- Exposure to modern printing machinery and technology
- Interaction with industry professionals
- Understanding of publishing and printing operations
- Practical learning beyond the classroom

PROMINENT RECRUITERS AND TALENT SCOUTS

WHY RECRUIT US ?

At PML SD Business School, Chandigarh, we nurture management professionals who are prepared to contribute from day one. Backed by the legacy of GGDSD College Society of more than five decades, our PGDM combines an application-based curriculum with skill-oriented learning and strong industry exposure.

Our students develop competencies across Marketing, Finance, Human Resource Management, Entrepreneurship, Business Analytics, Information Systems, Operations and Supply Chain Management, supported by live projects, internships, industry visits, workshops and experiential learning. The curriculum also integrates contemporary areas such as AI for Business, analytics, digital marketing and HR analytics.

We further prepare students through resume-building sessions, mock interviews and recruitment-oriented workshops, strengthening communication, problem-solving, leadership and decision-making capabilities.

Recruit from PML SD Business School to discover young, talented and future-ready professionals—and build your organisation’s talent pipeline with us.

Success Begins Where Persistence Refuses to Quit
